

# Do you enjoy helping others?

If you're a Union member, and you're a great listener then we need you!

**All you need is the ability to talk and listen to people and some common sense**

**You won't be on your own – specialist help and advice is always available**

**Full training is provided by the Union**

**Your company will pay your wages when you are on a course**

**You don't have to work full-time – many reps are part-time staff**

**You carry out the duties in your work time**
