Modern slavery can happen **anywhere**, and **anyone** can become a victim. It comes in many forms including forced labour, debt bondage, trafficking, or servitude.

Signs someone may be a victim of Modern Slavery may be physical:

- They may have untreated injuries.
- They may look uneasy, unkempt or malnourished.

Some signs are less obvious:

- Someone speaking for them
- Someone paying for their travel
- Being picked up and dropped off from work at unusual times
- Someone who may not be sure of their own address

If something just doesn't feel right...
